Dear David,

**LADAS PROPERTY COMPANY PROPOSED DEVELOPMENT AT MILLSTREET, MAYNOOTH, CO KILDARE**

I confirm that Cairn are agreeable to the pedestrian and cyclist connection from the proposed development to their land to the north and suggest that the exact details of the connection be agreed post planning to ensure a smooth transition from both developments. As discussed, Cairn agree that the delivery of this connection alongside the Lyreen River to Mill Street would render a footbridge to the park in Pound Lane unnecessary.

Your sincerely,

Aidan McLernon
